**Palmer Kiwanis**

The Kiwanis Club of Palmer Township will be holding its annual Golf Outing at the Riverview Country Club on July 20, 2015, with breakfast, golf and lunch with awards and prizes. For full details visit the Kiwanis website at [www.palmerPAkiwanis.org](http://www.palmerPAkiwanis.org). This event raises money for the Kiwanis giving program specifically scholarships which are given to seniors from Easton Area High School, Wilson Area High School, Notre Dame High School and the Career Institute of Technology.

If you are looking for a service club to join, Palmer Kiwanis is the one for you. Palmer Kiwanis is all about Fellowship, Friendship, Caring and Sharing. The Club meets every Wednesday morning from 7:00 to 8:30am at the Williams Restaurant on William Penn Highway in Palmer.

**Business, Industrial, and Professional Association of Palmer Township (BIP)**

In January, March, June and September of each year the BIP has a Membership Luncheon for its members and guests. This year at the January luncheon Dave Colver, Chairman of the Board of Supervisors and Chris Christman, Township Manager gave the State of the Township address. The points covered in the discussion were the development in the northern part of the township and when the interchange will open, the financial health of the township and the fact that the property tax did not increase for 2015, the beginning of construction of the new Public Works and Utilities facility on Hartley Avenue this year and other minor projects in the township. At the March meeting Becky Bradley, Executive Director of the Lehigh Valley Planning Commission talked about the Planning of the Lehigh Valley. She addressed the make up and mission of the LVPC, the Sustainable Communities project the Commission worked on the past three years and the future growth of the Lehigh Valley.

Membership in the BIP is open to any business in the township no matter of its size. For more information on the BIP please visit their website at [www.bippalmer.org](http://www.bippalmer.org).

Dave Colver, Chairman of the Board of Supervisors

Chris Christman, Township Manager

**Building Code Board of Appeals**

Palmer Township is seeking two volunteers to serve on its Building Code Board of Appeals. The Board is comprised of five members that are appointed by the Board of Supervisors. The board hears and rules on appeals, requests for variances and requests for extensions of time relating to the Pennsylvania Uniform Construction Code. Interested candidates shall have training and experience to rule on matters pertaining to building

construction. Training and experience may consist of licensure as an architect or engineer, experience in the construction industry, and training or experience as an inspector or plan reviewer. The board meets on an as needed basis. If interested please submit a letter outlining your qualifications/experience to James Raudenbush at the Palmer Township Municipal Building, 3 Weller Place, Palmer PA 18045, by June 15th.

## Letter from the Fire Commissioner

How old are the smoke detectors in your house, place of business? Did you know that smoke detectors ten years old or more should be replaced? Palmer Municipal Fire Department has seen a rise in faulty smoke detectors the past few months. No fires, injuries, or loss of property have resulted in these faulty smoke detectors.

The National Fire Protection Association (NFPA) indicates that smoke detectors, after ten years old, need to be replaced. Most manufactures stamp this warning on the back of the smoke detector along with the manufacture date of that particular detector. Replacement smoke detectors may be purchased at any home improvement store.

There are two types of smoke detectors; Ionized and Photoelectric. Each provides a certain level of protection. An Ionized smoke detector responds quicker to a flaming fire while Photoelectric smoke detectors respond quicker to smoldering fires.

Ionized Smoke Detectors use electrodes connected to two metal plates and a battery to complete a circuit. When smoke enters the smoke detector chamber, ions from the completed circuit bond to the smoke causing the break in the circuit and activation of the smoke detector.

Photoelectric Smoke Detectors respond quicker to a fire condition than Ionized Smoke Detectors. In Photoelectric smoke detectors are two chambers. One chamber is an LED light similar to a laser pointer that send a straight beam of light from one side of the chamber to the other. At the bottom of the chamber with this beam of light is another chamber with a light sensor that detects the beam. As smoke enters the two chambers, the LED beam is interrupted causing the light sensor to activate the smoke detector.

Smoke detectors should be located on each level of your residence as well as inside each bedroom. Detectors should be mounted on the ceiling but may be mounted on the wall. If mounted on the wall, detectors should be located between 4 and 12 inches from the ceiling. Any detectors mounted on the ceiling should not be mounted closer than 4 inches to any wall and not mounted under ceiling fans or other types of hanging obstructions. If mounting smoke detectors in or near a Kitchen, this detector should be mounted a minimum of 10 feet from the stove.

For additional information on smoke detectors and other fire warning devices please visit the NFPA website at <http://www.nfpa.org/safety-information>

Graphics are also available on the Palmer Municipal Fire Department website, along with other fire prevention and safety information. Visit <http://www.palmerfire.org/> for further details.

Stephen Gallagher, CFCO, CFM, CBO, Fire Commissioner

## Suburban EMS News

Be sure to mark your calendar for the 9th annual Suburban EMS Golf Tournament that is scheduled for June 5th, 2015 at Southmoore Golf Club in Bath, PA. Tee time is 1:00pm. Lunch and dinner are provided before and after the event. For more information please contact the administration office at 610-923-7500.

We value your support in our fundraising efforts and subscriptions. Funds raised at the golf tournament and other events are used to provide our crews and facilities with up to date equipment that enables us to respond quickly and efficiently to our calls. We are proud to serve our community. Last year alone we responded to 2,496 emergency and 1,569 non-emergency calls in Palmer Township.

## Recycling Information

### Curbside Single-Stream Recycling

Place the following items in your recycling cart (with the yellow lid) for weekly collection:

- **Plastics** – rinsed #1 through #7, no polystyrene foam.
- **Glass** – rinsed clear, brown and green bottles and jars; lids removed
- **Metals** – rinsed aluminum, tin and steel cans, aluminum foil and pastry tins, and household metals, pots and pans

- **Paper** – office and school paper, newsprint, junk mail, paper bags, phone books, junk mail, magazines, envelopes, etc.
- **Cardboard** – shoe, gift, and cereal boxes, corrugated boxes, cut or flattened as needed
- **Food and beverage cartons** – milk, cream, egg substitutes, orange juice, soup, broth, and wine cartons, and juice boxes

## Dates to Remember

### Household Hazardous Waste Drop-off Event

Saturday, May 30, 2015, 8:30 am to 2:00 pm

Northampton Community College  
Main Campus

Entrance from Green Pond Rd ONLY,  
Bethlehem Township

Questions? Contact Ken Zinis  
kzinis@northamptoncounty.org or 610-559-3200,  
Ext 6

### Memorial Day, May 25 there will be no trash and recycling collection.

The days of the week following the holiday, will be on a one-day delay.

### Upcoming Special Curbside Collections

(put items out on your regularly scheduled collection day and they will be collected that day or within that week by a separate truck other than your regular collection vehicles)

**Yard Waste Collection:** Weeks of June 1 and November 2

**White Goods Collection:** October 5

**Bulk Item Collection:** Weeks of June 15, September 14, and December 7

## Yard Waste Composting Center

Located at the end of Berks Street. Visit [www.palmerwp.com](http://www.palmerwp.com) for hours, fees, and more information.

No bagging or bundling of yard waste materials is needed. Accepts unlimited amounts of yard waste (leaves, branches, twigs, flowers, roots, bushes, garden clippings); tree limbs over twelve (12) inches in diameter. No grass clippings, tree stumps, or dirt.

For More Information visit [www.palmerwp.com](http://www.palmerwp.com) or call the Palmer Municipal Building at 610-253-7191.

## Special Volume Collection Information

This collection is available for unlimited, large amounts of household trash only and must be bagged or in cans (not to exceed 32 gallon standard size and 40 lb. weight limit). Bulk items (described above) are excluded from this collection. Residents must schedule and pay in advance by contacting Waste Management (800) 621-2100. Identify yourself as a resident of Palmer Township, PA in order to receive the price of \$25 per collection.

## Spring Cleaning or Moving?

### The following locations will take your donations:

Habitat for Humanity Lehigh Valley – ReStore  
1053 Grape Street, Whitehall, PA

Drop Off: Tues – Sat 10am – 4pm • Free Pickup Call: 610-776-7499

ReStore wants your stuff! They take items in good condition - unwanted household furniture, extra tools, excess building supplies and odds and ends from your home improvement projects – and turn them into an opportunity for a deserving Lehigh Valley family to earn a home of their own!

Nothing to donate? Then stop by to shop! Wed-Sat 10am to 6pm.  
For more information: [www.HabitatLVReStore.org](http://www.HabitatLVReStore.org)

American Family Services Thrift Store  
541 Milford Street, Easton, PA 18045  
(610) 253-1290

*Thank You!*

Palmer Township would like to thank the businesses that appear in this newsletter and to recognize them each as supporters and cornerstones of our community. For it is with their contributions that this newsletter has been produced at no charge to our residents.

## It's a Bird...It's a Plane... IT'S SUMMER READING TIME!!!

This summer the theme of our summer reading program is EVERY HERO HAS A STORY!

We will be focusing on super heroes as well as heroes in all our lives. We have a fun-filled program planned for all ages, birth – 110! Lots of fun, crafts, programs, stories and prizes galore!

Sign ups will begin the week of June 8th. The program officially begins June 15th – August 7th.

We hope your entire family will join us this summer by visiting the library, signing up for the program and enjoy celebrating the 'hero' in all of us!

A calendar of events will be posted on the library's website in early June. Stop by the library in May and see the amazing events that will be coming this summer!

### Adult News:

Our library offers an **adult book group** that meets the fourth Tuesday of every month, except December from 6:00-7:30pm. We welcome new members. Our group is informal and fun. Please consider stopping by for a listing of upcoming titles that we will be discussing.

**Sew Others May Be Warm** is a charity knitting/crocheting group that meets every Thursday from 1:00-2:30pm in the library. The group has been meeting for 6 years and has donated thousands of items to local charities. They welcome new members as well as donations of 4 ply worsted weight yarn!

### Young Adult News:

**Cocoa Club** is a young adult group (ages 13-17) that meets every six weeks on selected Saturdays at 2:00pm and discusses books they have read and enjoyed. Learn what new titles will be released as well as information on your favorite young adult authors. If you enjoy books and chocolate, this is the group for you! This summer Miss Ashley will be offering comic book poster workshops as well as a teen writing program. Join us for a debate on Marvel vs. DC comics as well as many other fun activities. Miss Ashley can be contacted at ashleys@eastonpl.org if you have any further ideas/questions.

**Young Adult Book Fest 3** will be held on Saturday, October 10th from 1:00-4:00pm. Many new YA authors will be available to sign their books as well as to talk to you. This Fest will have a new format than the previous events. Some of our new activities will include "Panel in the Park" (weather permitting), where you, the reader can ask any author any question about their books.

An **online writing workshop** will be offered with authors actually participating and a chance for teens to critique their peer's stories.

### Children News:

During the first 3 weeks of May, the Branch will offer an 'open storytime for all children. You do not need to register for this storytime. The days and times are as follows:

Mondays, 10:00am • Tuesdays, 10:00am • Wednesdays, 1:00pm

These storytimes are being offered for all ages with a craft to go along with the theme. Each storytime is different, so families can attend more than one per week!

"Who Was..." **book group** is designed for children ages 7-12 years old. We meet 4 times a year and discuss a famous person in history. If you would like to be reminded of upcoming titles and dates, please email stephanies@eastonpl.org to have your child's name on the list. This summer the group will discuss, "Who Is Jane Goodall" by Roberta Edwards.

**American Girl** book discussion meets once a month, on a selected Saturday at 2:00pm. All girls ages 7-12 are welcomed to sign up. Each month the group discusses one of the American Girls by reading the same title. Girls discover what life was like for young girls in the past and how many of their concerns/feelings are still the same in young girls today. They enjoy journaling as part of the program.

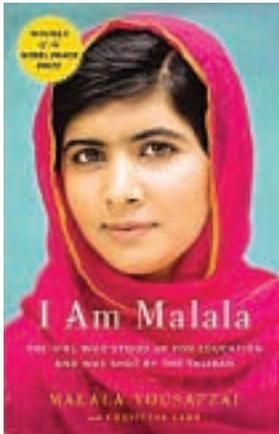

## SNEAK PEEK!!!

### Summer Programs currently being planned:

- Opening and closing programs with professional entertainers
- Create a super hero (family project)
- Craft Thursdays
- Therapy dogs every Monday
- Be a Hero, Not a Bully
- "B" is for Batman
- Read to Your Hero
- Do Super Heroes Have Teddy Bears?

Continued on page 8

*I Am Malala: How One Girl Stood Up for Education and Changed the World (youth edition)* by Malala Yousafzai and Patrick McCormick.

Miss Stephanie and Miss Ashley will lead a discussion on this courageous young woman who suffered and triumphed in her passion for education for young girls and women. Suggested ages for this book is 10 years (3rd grade) and up. This program is open to everyone. Mark your calendars to join us as we discuss this amazing young woman on Thursday, July 16th at 6:00pm. Consider making it a family event! Pre-registration will be required.

Watch our website for updated information on this event as well as the many programs we will be offering this summer. Go to: [www.eastonpl.org](http://www.eastonpl.org), select "Palmer Branch", select Summer Reading.

Thank you to the Kiwanis Club of Palmer Township for their generous donation to the library. The money allowed us to enhance our children's story time area with new furniture as well as a puppet stand for all our little theatrical actors!

### Attention: AP students in the Easton Area School District!

We are hoping to offer students a special program to work on their assignments along with being given online database instruction to help their research. For students that may be interested, please call the library at 610-258-7492 or email [stephanies@eastonpl.org](mailto:stephanies@eastonpl.org) to have your name added to the list of those interested. You will be notified when plans become definite.

### Back to School Bingo!

Will be held in August. The date has yet to be set. Prizes will be school supplies and books!

## Attention All Swimmers

**A New Summer Swim Team is coming to the area.**

## Two Rivers Aquatics at Palmer

We are excited to announce our coaching staff which includes:

Mark Rosenkranz

Sarah Bochini

Sean Patterson

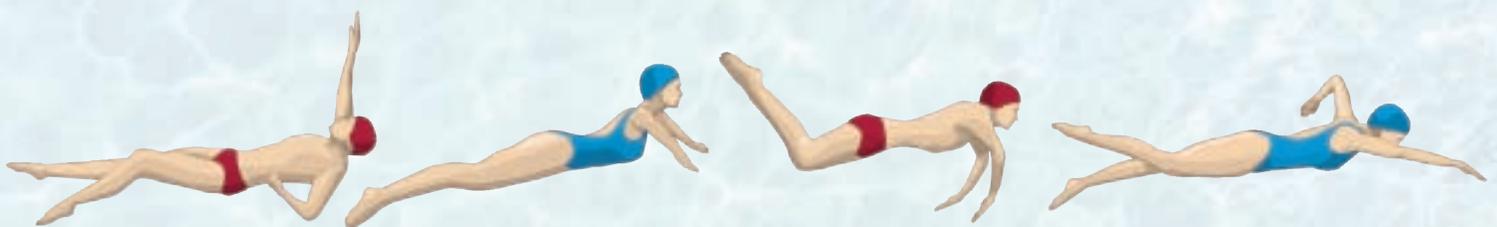

Melissa Rosenkranz

Any interested parties, please email your contact info to [tworiversaquatics@yahoo.com](mailto:tworiversaquatics@yahoo.com)

More info to follow regarding schedule, league, meets, sign ups and more.

*Looking forward to a fantastic swim season!!!*

Sue Bulette, President • Julie Pektor, Vice President

### Palmer Township Beautification Project

These two pictures may bring a smile, enjoyment, and anticipation to the people who frequent the bike path along Fairview Park in Palmer Township. The 250 yard garden is going to have a lot of additional plants added this spring. The February issue of the Palmer newsletter listed all of the species. This issue is showing the one plant that will add the biggest wow factor. The one picture shows a tray with seeds from the cleome plant. The seeds cover an area 8.5 inches wide by 10.5 inches long by 0.75 inches high. The second picture shows a plant in bloom. The plant continues to flower from bottom to top as the season continues. The annual plant makes a seed pod with each flower. As the pod ripens it opens and the seeds fall to the ground. So, it self-seeds. The seeds are easily collected by gardeners, which are how these seeds were gathered. Individuals and groups are encouraged to become part of the volunteer organization. Community service hours can be earned. Contact Dave at d.carr@rcn.com or 610.704.5868

### TEMPORARY POOLS

All temporary pools capable of holding more than 24 inches of water DO require a permit and inspection each year the pool is erected. The permit must be obtained before installation occurs. The cost for the permit is \$39.00 plus \$25.00 for the electrical permit.

Please be aware that pools with heights between 24 inches and 48 inches will require a permanent barrier in accordance with the 2009 International Residential Code. Also, overhead

power lines, grade slopes and zoning setbacks will have an impact as to the allowable location of a pool. Any pool in violation with such codes and/or ordinances will be required to be drained and removed. As a reminder, we require permits for many types of projects. Call the Building and Zoning Department with any questions questions at 610-253-7191.

### GRASS/NOXIOUS VEGETATION AND SIDEWALK CLEARANCE

Spring is finally here and it is time to put down that snow shovel and start-up the lawn mower! Palmer's ordinances limit the height of grass and noxious vegetation to a maximum of 6-inches.

Also, please maintain the sidewalk clear of impeding tree branches, bushes and decorative vegetation by cutting such back so that the full width of the sidewalk, to a height of 7-feet, is accessible for the safety of pedestrians.

**SUMMER:**  
*Summer Hours are 7 days a week from 10am to 6pm*

When in season: fresh picked sweet corn, strawberries, cucumbers, zucchini, onions, garlic, shallots, potatoes, tomatoes, heirloom tomatoes, plum tomatoes, eggplant, peppers, hot peppers, green and yellow wax beans, red beets, watermelon, cantaloupe, blueberries, raspberries, peaches and more.

*Enjoy canned goods* such as: pickles, salsa, jams, jellies, fruit butters, beets, sauerkraut, tomatoes, tomato sauce and more.

*Homemade* zucchini breads

*We also carry* corn filled heating and cooling bags, hand quilted potholders, soy candles, handmade soaps.

**Coming This Fall:**  
14 Acre Corn Maze beginning September 12, 2015

## Children's Dance Class Schedule

Summer Session : June 11<sup>th</sup> - August 8<sup>th</sup>  
(No Classes July 2<sup>nd</sup> or July 4<sup>th</sup>)

Thursday		
<b>First Steps</b> 5:45-6:35pm Ages 3-4 Resident \$70 Non-Resident \$80	<b>Competition Class</b> 6:45-7:35pm Resident \$70 Non-Resident \$80 Combination Option (choice of 1 other class) Resident \$100 Non-Resident \$110	
Saturday		
<b>Preschool Ballet, Tap, &amp; Tumble</b> 9:30-10:20am Ages 3-5 Resident \$70 Non-Resident \$80	<b>Gymnastics</b> 11:00am-12:00pm Ages 5-12 Resident \$70 Non-Resident \$80	<b>Combination Class Options:</b> Choose from 2 or 3 Classes (Ballet/Tap, Gymnastics, Jazz) ↓ <b>Cost for 2 Classes</b> Resident \$100 Non-Resident \$110 <b>Cost for 3 Classes</b> Resident \$130 Non-Resident \$140
<b>Ballet &amp; Tap</b> 10:30-11:00am Ages 5-12 Resident \$60 Non-Resident \$70	<b>Jazz</b> 12:00-12:30pm Ages 5-12 Resident \$60 Non-Resident \$70	

\*Thursday Night Classes are recommended for experienced/returning dancers, we encourage new or beginner dancers to take the Saturday Preschool Ballet, Tap, & Tumble class.

\*Please be advised that your child will require appropriate dance wear and shoes for classes. If you are unsure about what to buy, please ask the dance instructor.

**Twinkle Toes** - Your little ballerina will learn beginning steps of ballet, tap and gymnastics. We cover basic ballet positioning and steps. It is a great way to exercise and fun while learning the basics of dance. **(WILL RETURN IN FALL)**

**First Steps** - This is the next progression class after Twinkle Toes. Our instructor will build upon the previous training and build more steps in ballet, tap and dance gymnastics.

**Preschool Ballet, Tap & Tumble** - Students ages 3-5 years will continue to learn the steps of ballet, tap and gymnastics. This is a Pre-K Level 1 Class, designed for new/inexperienced dancers.

**Ballet/Tap** - This is for children ages 5-12 years old that have ballet & tap experience.

**Gymnastics** - This class is for children ages 6-12, students will work at their own gymnastics level with the guidance of our instructors.

## Palmer Pool 2015 Group Swim Lessons

### Costs:

\$40/Session for Members

\$50/Session for Non-Members

Group Lessons run Mon., Wed., & Fri.

Session 1: Monday June 15th – Friday June 26th

Session 2: Monday July 6th – Friday July 17th

Session 3: Monday July 21st – Friday July 31st

Go to [www.palmercommunitycenter.org](http://www.palmercommunitycenter.org) to register.

### Ability Categories:

#### Seals:

This category is for the beginner swimmer who is not very mobile in the water and who are new to the concept of putting their face in the water. Seals will be introduced to holding their breath, basic kicking skills, sculling, and treading water. The skills will be developed through games and interactive instruction in the baby pool and shallow end of the "big" pool with an in the water instructor.

#### Sting Rays:

This category is for the beginner-independent swimmer who is able to keep their head above water for about 10 seconds and able to hold their breath briefly under water. The skills to be developed in this category will be

swimming underwater, sculling to keep their head above water for 1 minute, and enhancing kicking efficiency. The "sting rays" goal will be to swim 25 yards independently! Sting Rays will also be introduced to diving. The skills will be developed through activities and drills in both the shallow and deeper portions of the pool under direct supervision with an in the water instructor.

#### Sharks:

This category is designed for the aspiring competitive swimmer. Sharks should have the skills to move through the water without assistance, and they will be introduced to competitive swimming skills in Freestyle, Backstroke, Breaststroke, and Butterfly as well as diving off the wall and blocks.

## **Palmer Athletic Association Derby Day**

**Saturday, June 6, 2015**

**Palmer Sports Complex**

Registration 10:00 a.m.

Events from 11:00 a.m. to 4:00 p.m.

**Save the Date!**

Games, Food, Home Run Hitting Contest & More  
All Palmer Athletic Children & Families Welcome

Participation is Free

For Event Details visit:

<http://www.palmeraa.org>

## **Palmer Athletic Association Fall Sport Sign-Ups**

Register Online

<http://www.palmeraa.org>

MAY 1st THROUGH MAY 31st

**Football**

**Cheerleading**

**Soccer**

**Field Hockey**

# Protect Your Family From Lead In Your Home

United States  
Consumer Product  
Safety Commission

United States  
Department of Housing  
and Urban Development

## Are You Planning To Buy, Rent or Renovate a Home Built Before 1978?

Many houses and apartments built before 1978 have paint that contains high levels of lead (called lead-based paint). Lead from paint, chips and dust can pose serious health hazards if not taken care of properly.

**OWNERS, BUYERS and RENTERS** are encouraged to check for lead before renting, buying or renovating pre-1978 housing.

Federal law requires that individuals receive certain information before renting, buying or renovating pre-1978 housing.

**LANDLORDS** have to disclose known information on lead-based paint and lead-based paint hazards before leases take effect. Leases must include a disclosure about lead-based paint.

**SELLERS** have to disclose known information on lead-based paint and lead-based paint hazards before selling a house. Sales contracts must include a disclosure about lead-based paint. Buyers have up to 10 days to check for lead.

**RENOVATORS** disturbing more than 2 square feet of painted surfaces have to give you this information before starting work.

## IMPORTANT!

### Lead from Paint, Dust, and Soil Can Be Dangerous If Not Managed Properly

**FACT:** Lead exposure can harm young children and babies even before they are born.

**FACT:** Even children who seem healthy can have high levels of lead in their bodies.

**FACT:** People can get lead in their bodies by breathing or swallowing lead dust, or by eating soil or paint chips containing lead.

**FACT:** People have many options for reducing lead hazards. In most cases, lead-based paint that is in good condition is not a hazard.

**FACT:** Removing lead-based paint improperly can increase the danger to you family.

**If you think your home might have lead hazards, read this article to learn some simple steps to protect your family.**

## Lead Gets in the Body in Many Ways

**People can get lead in their body if they:**

- ◆ Breathe in lead dust (especially during renovations that disturb painted surfaces).
- ◆ Put their hands or other objects covered with lead dust in their mouths.
- ◆ Eat paint chips or soil that contains lead.

**Lead is even more dangerous to children under the age of 6:**

- ◆ At this age children's brains and nervous systems are more sensitive to the damaging effects of lead.
- ◆ Children's growing bodies absorb more lead.

- ◆ Babies and young children often put their hands and other objects in their mouths. These objects can have lead dust on them.

**Lead is also dangerous to women of childbearing age:**

- ◆ Women with a high level in their system prior to pregnancy would expose a fetus to lead through the placenta during fetal development.

Childhood lead poisoning remains a major environmental health problem in the U.S.

Even children who appear healthy can have dangerous levels of lead in their bodies.

## Carbon Monoxide Safety

**O**ften called the silent killer, carbon monoxide is an invisible, odorless, colorless gas created when fuels (such as gasoline, wood, coal, natural gas, propane, oil, and methane) burn incompletely. In the home, heating and cooking equipment that burn fuel can be sources of carbon monoxide.

- ➔ CO alarms should be installed in a central location outside each sleeping area and on every level of the home and in other locations where required by applicable laws, codes or standards. For the best protection, interconnect all CO alarms throughout the home. When one sounds, they all sound.
- ➔ Follow the manufacturer's instructions for placement and mounting height.
- ➔ Choose a CO alarm that has the label of a recognized testing laboratory.
- ➔ Call your local fire department's non-emergency number to find out what number to call if the CO alarm sounds.
- ➔ Test CO alarms at least once a month; replace them according to the manufacturer's instructions.
- ➔ If the audible trouble signal sounds, check for low batteries. If the battery is low, replace it. If it still sounds, call the fire department.
- ➔ If the CO alarm sounds, immediately move to a fresh air location outdoors or by an open window or door. Make sure everyone inside the home is accounted for. Call for help from a fresh air location and stay there until emergency personnel.
  - ➔ If you need to warm a vehicle, remove it from the garage immediately after starting it. Do not run a vehicle or other fueled engine or motor indoors, even if garage doors are open. Make sure the exhaust pipe of a running vehicle is not covered with snow.
- ➔ During and after a snowstorm, make sure vents for the dryer, furnace, stove, and fireplace are clear of snow build-up.
- ➔ A generator should be used in a well-ventilated location outdoors away from windows, doors and vent openings.
- ➔ Gas or charcoal grills can produce CO — only use outside.

## Clothes Dryer Safety

**D**oing laundry is most likely part of your every day routine. But did you know how important taking care of your clothes dryer is to the safety of your home? With a few simple safety tips you can help prevent a clothes dryer fire.

- ➔ Have your dryer installed and serviced by a professional.
- ➔ Do not use the dryer without a lint filter.
- ➔ Choose a CO alarm that has the label of a recognized testing laboratory.
- ➔ Make sure you clean the lint filter before or after each load of laundry. Remove lint that has collected around the drum.
- ➔ Rigid or flexible metal venting material should be used to sustain proper air flow and drying time.
- ➔ Make sure the air exhaust vent pipe is not restricted and the outdoor vent flap will open when the dryer is operating. Once a year, or more often if you notice that it is taking longer than normal for your clothes to dry, clean lint out of the vent pipe or have a dryer lint removal service do it for you.
- ➔ Keep dryers in good working order. Gas dryers should be inspected by a professional to make sure that the gas line and connection are intact and free of leaks.
- ➔ Make sure the right plug and outlet are used and that the machine is connected properly.
- ➔ Follow the manufacturer's operating instructions and don't overload your dryer.
- ➔ Turn the dryer off if you leave home or when you go to bed.

## and Don't Forget...

- Dryers should be properly grounded.
- Check the outdoor vent flap to make sure it is not covered by snow.
- Keep the area around your dryer clear of all things that can burn, like boxes, cleaning supplies and clothing, etc.
- Clothes that have come in contact with flammable substances, like gasoline, paint thinner, or similar solvents should be laid outside to dry, then can be washed and dried as usual.
