**May 24, 2023, 6PM 3 Weller Pl Lower-Level Municipal Meeting Room**

**1. Roll call.**

- a.** Not enough committee members were present for a quorum, but those that were in attendance participated in a scheduled zoom call with Peter Buck Dawson from Penn State to discuss the Local Climate Action Program. Committee members, as well as members of the public, discussed what the program entails and how Palmer Township could benefit from it. Dawson, Grube, Adams and Rice discussed timeline of the program, expected outcomes, templates for climate action plans, and the flexibility of the program for the Township.
- b.** Committee members also discussed the upcoming e-cycle event, what was still needed, who to contact, advertising for the event and working with multiple municipalities in the area. Grube also mentioned that the committee needed to discuss meeting date changes when there were more members present. No decisions were made because there was not a quorum.
