🕒 Wednesday January 25, 2023, 12-1 pm

National Flood Insurance Program (NFIP): What are your community's responsibilities?

Speaker: Josh Lippert, CFM, FEMA Region 3

Did you know every community in Pennsylvania must participate in the National Flood Insurance Program (NFIP)? Proper administration and enforcement of floodplain management activities, in accordance with the NFIP requirements, is a municipality's responsibility. This session will review what is required of local community and offer guidance on how to make a resilient and compliant municipality.

🕒 Wednesday February 22, 2023, 12-1 pm

How to Fund a Resilient Community

Speakers: Thomas E. Guth Jr., Hazard Mitigation/Disaster Recovery Manager, Northampton County Emergency Management; Todd Weaver, Director, Northampton County Emergency Management.

Learn about the many funding opportunities available to communities from FEMA and the state to support priorities related to reducing natural hazard risk, from incorporating nature-based solutions to supporting adoption of building codes, and more. Find out how you can take advantage of these grants!

Upcoming sessions topics and dates to be determined in March, April, and May! Stay tuned.

518 Northampton Street, Easton, PA 18042 www.nurturenaturecenter.org

The Nurture Nature Center is an Easton, PA based non-profit that strives to build resilient communities by engaging the public in learning about environmental risks and leveraging the power of informal science education, art-centered approaches to learning, and community dialogue and networking.

The CREATE Resilience Hub project seeks to foster "ready, responsive, and resilient" communities that are empowered and able to protect their community members in the face of changing climate impacts and environmental hazards.

This flyer was prepared by the Nurture Nature Center, Inc. under award NA22SEC4690012 from the Environmental Literacy Program of the National Oceanic and Atmospheric Administration (NOAA), U.S. Department of Commerce.
