PALMER MUNICIPAL FIRE DEPARTMENT

We would like to thank all the residents and businesses that have donated to our fund drive this year. All your support is greatly appreciated!

Please keep an eye on our website and social media accounts for upcoming events.

Members have been busy with continuing their training to better serve the residents of the township and surrounding communities.

It's that time of year again and Santa & his Firefighter friends will be visiting some of the kids in Palmer Township on December 19, 2026, between the hours of 9am & 3pm. If you would like Santa to stop at your house, please read how it works below.

How it Works:

1. You go out and buy a gift(s). We kindly ask that gifts be reasonably sized to ensure they fit safely in the sleigh with all the other gifts.
2. Bring it home, wrap it, write your child's name, address & phone number on it.
3. Drop the gift(s) (limit 2 per child) off, along with a $10.00 per child donation at PMFD Station 1 (3254 Old Nazareth Road) **11/30** (6pm to 9pm) – **12/7** (6pm to 9pm) – **12/12** (9am to noon) and **12/14** (6pm to 9pm).
4. On December 19th between the hours of 9am – 3pm Santa and some of PMFD Firefighters will make a special visit to your house. During the day we will be continuously updating Santa's location on our Facebook page and Website.

www.PalmerFire.org Follow us on Facebook

Sorry, Santa can only travel to houses within Palmer Township!

If you have any questions, Email - info@palmerfire.org, or call (484) 695-7373

The Township Board of Supervisors and Township Staff would like to wish everyone a Happy Holiday Season and Health and Happiness in the New Year!

BUSINESS, INDUSTRIAL AND PROFESSIONAL ASSOCIATION NEWS

Supporting Cleaner, Safer Trails: New Dog Waste Station at Schoneck Creek

The BIP hosted its July General Membership Luncheon on July 22, 2026, at the Marblehead Chowder House. Dave Erickson, Account Director at BSI (6 years with BSI, 10 years in insurance), and Kate Schreffler, Benefits Consultant at BSI (7 years with BSI), delivered an informative presentation covering the current status of the healthcare industry, how company-provided health insurance is priced, the status of the marketplace and its impact on employer premiums, an overview of ICHRA, recent prescription drug legislation and its future outlook, projections for healthcare costs, and best practices to help manage rising healthcare expenses.

In August, the BIP participated in the annual Palmer Township Community Weekend event, distributing 3,000 bags of free popcorn. We extend our gratitude to the Chrin Companies for sponsoring our Popcorn Tent and to all the dedicated volunteers who helped hand out popcorn.

The Annual BIP Palmer 5K race and walk took place on Saturday morning during Palmer Community Weekend and was another great success. Over 414 participants registered, with 346 completing the race. Visit the BIP Facebook page to watch videos from the event.

The BIP extends sincere thanks to all race participants, Jeff Kicska (our Event Manager), and all sponsors and volunteers. The primary beneficiary of this event is the Miracle League of Northampton County, PA. We remain committed to our local community, working to build a stronger future for the township and its surrounding areas. The Palmer cheerleaders were recognized for their steadfast support at the start, along the course, and at the finish line.

On August 31st, the 9th Annual BIP Golf Outing took place. Thank you to everyone who joined us for the BIP of Palmer golf outing! Your enthusiasm and smiles made for an unforgettable day with wonderful people. We hope you enjoyed playing as much as we enjoyed hosting.

A special thank you goes to Deb and Jeff Young, who led the planning, organization, and management of the outing—helping to net over $23,000. The funds raised by the BIP will support 2027 scholarships and Palmer community projects.

We also extend our heartfelt appreciation to the dedicated volunteers and generous sponsors who made this day possible.

PALMER PARKS AND RECREATION DEPARTMENT INFORMATION

It is the Parks & Recreation Department's goal to provide citizens with a safe environment in which recreational opportunity can be maximized. Due to the wide variety of patron needs and use of Township property, it is necessary to establish the following rules and regulations.

Event representative must have permit with them for duration of the event.

RESERVATIONS: Will be available to Palmer residents only for the month of January, beginning on January 4th, 2027 at 9:00am. Park rentals will become available to the general public on February 1st, 2027 at 9:00am. All reservations must be completed in person at the Charles Chrin Community Center of Palmer Township, located at 4100 Green Pond Road Palmer, PA 18045, Phone: 610-252-2098 ***Pavilion rentals are prohibited during Palmer Community Weekend.***

FEES:

- **PENN PUMP:** There are 2 permits available per day at Penn Pump Park. Penn Pump permits allow the consumption of alcohol and access to restrooms. Rental time 8:00am–10:00pm
  1. Penn Pump Pavilion Permit *Not to exceed 150 people. Allows parking near the pavilion and pavilion access. **Residents Only $150.00**
  2. Penn Pump Picnic Permit *Not to exceed 50 people, required for 10 or more people.

Picnic permit for Penn Pump allows access to tables outside of the pavilion. **Residents $100.00**

- **RIVERVIEW**: Permit for Riverview Park allows the responsible use of alcohol. Rental time 8:00am-10:00pm. **Residents $150.00 & Non-Residents $200.00**

Empowering Students and Strengthening Our Community, *Together.*

For more than 10 years, Easton Area School District has been proud to partner with St. Luke's University Health Network, the health system ranked #1 in quality, to provide vital services to its students, families, and the Easton community.

Congratulations

St. Luke's Department of Community Health has been connecting our community to quality care and resources for 30 years and once again earned an "A" grade from the Lown Institute for Outstanding Social Responsibility.

Learn more about how St. Luke's is shaping tomorrow's healthcare leaders.

St Luke's
UNIVERSITY HEALTH NETWORK

'Celebrating 10 years of community service and a look to the future - Won't you join us?'

This edition of the Earth Stewards of Palmer Township's Newsletter article is a nostalgic walk down memory lane. So, sit back and enjoy reading about the voluntary acts of Township community members and hopefully this will instill in you a desire to participate in our endeavors or better still, cause you to start an additional volunteer group helping elderly Veterans, neighbors on limited incomes to maintain their property, thus enhancing all nearby properties. An extended kindness will reap much satisfaction!

- 15 Active members – originally six charter members has grown to 15 active members
- 18 Auxiliary members (including participants in the Palmer Proud cleanup 8/2025)
- **20 tons of litter: litter, refuse, recyclables** collected (June 2016 through September 2026) throughout Palmer Township and surrounding communities as well as maintenance of the Palmer/D&L Trails from Hugh Moore Park, Palmer Township up to Tatamy.
- Note: all litter clean-up results are forwarded to both Palmer Township and D&L for their use in obtaining grant money for community and trail projects and improvements
- Hours expended: 2025 – 217 and YTD 2026 - 331
- Collectively, 110 miles of roads and trails cleared
- Educational video (IF NOT YOU, WHO?) created in conjunction with **Wolff Creative Production – Amy Wolff and Henry Hung Directors.**
- Attendance at 'Keep PA Beautiful' State Environmental Conventions.
- Participation at Lehigh University environmental symposium
- Video presentation and panel discussion of ESP's educational video 'If Not You, Who?' scheduled for October 2026's Lafayette College's 3rd Annual Fall Arts Festival
- Development and completion of the 'Palmer Proud' 1 day community wide clean-up event in August of 2025 – 3 TONS OF LITTER removed from roadways, trails, parks. The event was supported and sponsored by Chrin Industries, Businesses in Palmer (BIP), Palmer Township, and the Palmer Township Volunteer Fire Department.
- Committee membership in Palmer Township's Greenway Study and finalized recommendations.

There are other civic minded entities we affiliate and partner with, several of which are listed below:

- Wildlands Conservancy; Bushkill Stream Conservancy; Trout Unlimited; City of Easton – Hugh Moore National Canal Museum; D&L Trail – "Trail Tenders Program" and several local likeminded environmental groups who remove litter from local roads, and highways (Trash Raiders of Bethlehem, Nazareth Environmental, Coalition for Appropriate Transportation (CAT)
- Presentations were made in the Public Domain: Palmer BIP, Palmer and Easton/Forks Kiwanis Clubs and several Palmer Township Departments.
- Our desire for the future is a continued focus upon promoting education, involving our youth for they will inherit what we leave. As a future program we would like to promote a Palmer Environmental Education Center. The Chrin Center would be an ideal location with the volume of people utilizing the facilities; the elementary school next door, and as an educational site for local scouts and youth groups coupled with a variety of summer programs and regular events scheduled throughout the year.
- The Earth Stewards of Palmer (ESP) are always seeking additional members. If interested in learning more about and becoming an ESP volunteer, or you need community service hours for graduation, please contact us at: **EARTHSTEWARDSOFPALMER.COM**
- **Lastly,** The Earth Stewards of Palmer Township extend our Congratulations to the Board of Supervisors for enacting an Ordinance renaming Palmer Township's Environmental Steering Committee to **Palmer Township's Environmental Advisory Committee.** Let's all help the newly formulated EAC in their endeavors to ensure Palmer's Environment is safeguarded against overgrowth, noise, light and air pollution, as well as all projects impacting Palmer's Environment are studied in depth, in conjunction with our Township's Administrative Offices resulting in sound recommendations ensuring a Healthy and Safe Community Environment.

What's in a Name?
Palmer Environmental Steering Committee is now an Environmental Advisory Council

On September 8, the Palmer Township Board of Supervisors (BOS) voted unanimously to approve the establishment (by ordinance) of the Palmer Township Environmental Advisory Council (EAC). The EAC will replace the Environmental Steering Committee (ESC). All ESC members were reappointed by the Board to the new EAC.

Why is this important news? Never formally established by ordinance, the ESC was appointed in the 1990s as an ad hoc committee to develop the township's recycling program. Since then, it has evolved into an established committee, and has been advising the BOS on matters involving environmental policy, including climate action, environmental justice and equity, and sustainable business practices and economic development. By being formally designated an EAC, the committee becomes an official government council, authorized by Pennsylvania's Municipal Environmental Advisory Council Law (Act 148), which defines the responsibilities and powers of EACs in Pennsylvania.

Marcella Cardone, serves as the Palmer Township Supervisor Liaison to the EAC: "I am especially proud that the Palmer Township BOS unanimously recognized the importance of transitioning the former ESC into the EAC. One of the major reasons I chose to run for Palmer Township Supervisor last year was my desire to make a greater and more positive impact on the community I call home. Serving as a liaison to the EAC gives me an important opportunity to do just that.

"I look forward to a long-standing working relationship with the Council and its members. By working collaboratively, sharing ideas, and focusing on practical solutions, I am confident that the BOS and EAC can make meaningful progress toward a healthier, more sustainable, and more resilient Palmer Township."

The new EAC will build on the ESC's long history of environmental work in Palmer Township. Over the years, the ESC has hosted numerous backyard composting and rain barrel workshops, electronics recycling collections, litter clean-up events, household hazardous waste collections, as well as providing recycling and environmental education programs for the girl and boy scouts, local churches, Palmer Library children programs, and elementary schools. Recent work has included reviewing the Subdivision and Land Use Ordinance (SALDO) and participating in the development of the Bushkill Creek Greenway Master Plan.

Celia Williams, in her second year as Chair, sees the new EAC working in a similar capacity: "As we move forward as the Environmental Advisory Council, I am looking forward to continuing the work we have been doing, raising environmental awareness, engaging our community through educational programs and events, and supporting practical initiatives that help make Palmer Township a healthy and sustainable place to live, work, and play."

More than 150 EACs statewide provide municipal governments with a pool of local talent and volunteer energy to draw upon. While EACs serve in a strictly advisory capacity and do not hold independent regulatory or decision-making power, they may research environmental issues and recommend plans and programs to the appropriate township agencies.

Craig Beavers is Director of Community Development for Palmer Township, sits on the Allentown EAC, and serves on the Lehigh Valley Planning Commission. He also serves as staff liaison to the Palmer EAC: "As a community planner and an environmentalist, I am very pleased to have a group of talented Palmer residents serving on our EAC—all dedicated to a healthy environment for everyone. I look forward to working with the council members as they learn about the issues facing our township and recommend plans and programs to improve the quality of our natural resources."

Karen Adams, who has served on the ESC for three years, agrees: "Becoming an EAC codifies the committee and assures it can continue to protect and enhance the environment now and into the future. Along with this change we have added two strong new members—signaling growth and renewed commitment to the Township."

The Palmer EAC meets on the 4th Wednesday of every month at 6:30 pm in the lower level of the Municipal Building at 3 Weller Place; no meetings are scheduled in November or December. All are welcome to attend the meetings and comment on environmental issues of concern to them. You can also reach EAC members at eac@palmerpa.com.

Thank you

Palmer Township gratefully acknowledges the generosity and support of the businesses and individuals who have placed advertisements in our newsletter. This newsletter has been designed and printed at no cost to you, our residents. We encourage you to patronize these businesses as they play a vital role in the economic stability of our community.

NEW CLOTHING & SHOE RECYCLING BIN NOW AVAILABLE

Palmer Township has a new way for residents to give clothing, shoes, and accessories a second life! A Clothes Bin® clothing and shoe recycling bin was installed at the Palmer Township Recycling Center on July 31, 2026, through an initiative of the Palmer Township Environmental Steering Committee.

The new bin provides residents with a convenient option for keeping textiles and other reusable items out of landfills.

New Clothes Bin® at the Palmer Township Recycling Center.

What Can You Recycle?

The bin accepts a variety of items, including:

- Clothing
- Shoes and other footwear
- Undergarments
- Hats, belts, ties, scarves and other accessories
- Handbags, backpacks, totes, luggage and briefcases

Please place all items in securely closed bags before depositing them in the bin.

The next time you are cleaning out your closets, do not throw those clothes and shoes away give them a second life!

Look for the bright green Clothes Bin® at the Palmer Township Recycling Center.

COMMUNITY DEVELOPMENT DEPARTMENT

PALMER BIKEWAY RECOGNIZED AS A 2026 GREAT PLACE IN PENNSYLVANIA

The Pennsylvania Chapter of the American Planning Association (APA PA), through its Great Places in PA Program, annually designates Great Places. For 2026, 8 nominations achieved a Great Places designation: 4 Great Public Spaces and 4 Great Greenways/Trails or Preserves, bringing the number of Great Places designated since the Program's inception to 72. These Great Places, located in 38 of PA's 67 counties, have a sustainable vision for the future and serve as a model for other communities. They represent successful planning efforts that build healthy and vibrant communities and promote the Chapter's mission and vision.

APA-PA is proud to announce the designation of Palmer Bikeway in Palmer Township, Northampton County as a 2026 Great Greenway/Trail in Pennsylvania. The Palmer Bikeway was envisioned in 1975 by Palmer and Bethlehem Township officials, who promoted turning the former Lehigh Valley Railroad corridor into a bike path to meet recreation and transportation needs. With the first award of grant funding in 1977, acquisition, planning, and construction began. The first segment (7.8 miles) opened in 1981 as the "Palmer-Bethlehem Township Towpath Bike Trail" and was an immediate success. Palmer Township continued to lead regional initiatives and sought more grant funding to extend the bikeway. During public engagement processes for the Township's Comprehensive Plan and Parks/Recreation Plan, the bikeway project was always a key priority.

Today, the Bikeway, now known as the "Palmer Bikeway," spans more than 12 miles throughout the Township with connections to trailheads, transit stops, sidewalk networks, and other local and regional trails. Users can ride along the scenic Bushkill Creek; travel into the heart of the Township's urban area; and access community parks, residential neighborhoods, employment hubs, shopping centers, and schools. Bikeway usage has increased from about 70,000 annual users in the 1980's to hundreds of thousands of users today. With the trail being paved and relatively flat, it is used by people of all ages and abilities, and the trailheads provide ADA accessible parking spaces. While the Township is responsible for maintenance, volunteers, such as the Earth Stewards of Palmer and the D&L Trail Tenders, assist with this effort. Palmer Bikeway has attracted new businesses and residents, thereby stimulating economic and job growth. Overall, the Bikeway, with its social, recreational, transportation, and economic benefits, is a tremendous asset that has strengthened community pride and the sense of belonging.

Palmer Bikeway, together with Croydon Woods Nature Preserve (Bucks Co.), Ghost Town Trail System (Cambria/Indiana Cos.), and Robert Porter Allen Natural Area (Lycoming Co.), were designated as the 2026 Great Greenways/Trails or Preserves. Armstrong Great Lawn (Butler Co.), Centre Square (Northampton Co.), Plum Street Plaza (Delaware Co.), and Sweet Arrow Lake County Park (Schuylkill Co.), comprise the slate of 2026 Great Public Spaces. These Great Places demonstrate the rewarding results that occur through community partnerships, planning, and dedication. In recognizing the 2026 Great Places in PA, the Chapter also celebrates the many community leaders, officials, professionals, and residents who contribute to making the designated places "great."

PALMER TOWNSHIP BECOMES AN OFFICIAL *BIRD TOWN*

At a recent township meeting, the Board of Supervisors adopted the Bird Town Pennsylvania program which was proposed by the Environmental Advisory Council (EAC) and joins 106 other municipalities in Pennsylvania in becoming a Bird Town; a statewide program which recognizes townships for their commitment to stewardship. "Our Township is looking forward to making an even more beautiful and environmentally friendly community for both people and birds", said Robert A. Williams, Township Manager.

The Township will work with Bird Town Pennsylvania to highlight the township's incredible ecological resources and to provide outreach and education to property owners. Residents will be encouraged to get to know the birds of their backyard and attend community events and workshops where Bird Town information will be available.

"Birds are natural indicators of ecological health," says Heidi Shiver who manages the Bird Town Pennsylvania program. "Small steps in a backyard can increase the diversity of birds and at the same time create a healthier living environment for people and pets. With our incredible partners in the Lehigh Valley, residents will surely hear more about their role in the lives of birds. I'm confident that they will be amazed to find out what birds come through this area during migration."

As a part of this program, Palmer Township has established a Bird Town Committee tasked with developing programming, education, and outreach to achieve the goals of this program. The Bird Town Committee meets monthly on the fourth Tuesday of each month at 6:30pm in the Municipal Meeting Room at the Township Building.

More information on Bird Town Pennsylvania or for creating a backyard habitat can be found at www.birdtownpa.org.

ATTENTION HISTORY BUFFS:

The Palmer Historical Society invites your membership and attendance at their informative and educational meetings, featuring local and area subjects of interest. Meetings are held in the Palmer Library 10:00am to Noon, February – May and September – November on the second Thursday of the month. Membership is $5.00 per year and includes invitations to all events. Interested?

Looking Ahead

Be on the lookout!

Attention Palmer residents!

Beginning in May of 2026, Republic Services has been the new trash & recycling hauler for the Township. Not to worry, nothing on your end has changed except for the color of the vehicles collecting your waste!

While Republic gets acquainted to their daily routes, we can all expect some service delays. When this happens, please call the Township and report the issue so that we can address it accordingly.

How much money has Palmer received for its recycling efforts?

To date, Palmer Township has received a total of $3,934,934 in grant money from the Pennsylvania Department of Environmental Protection. This money is used to purchase equipment like trash and recycling toters, leaf collection machinery, and it is also used to fund the continued development of the new recycling center! A huge thank you to all the residents and businesses who continue to support and take part in Palmer's recycling program!

Palmer Township Trash and Recycling Guide

Pictured above: Photo of a fleet of trash & recycling trucks for Republic Services.

Is your trash/recycling toter damaged?

Call the Municipal Building at (610) 253-7191 to report the damage and we will have a Public Works crew come out to your property to fix/replace the toter.

Our crews have processed over 1,600 work orders since March of 2024, so please be patient when awaiting your repair or replacement!

2026 Important Dates

Bulk Item Collection - Week of November 16

Yard Waste Collection - Week of November 9

Leaf Collection - Eight weeks during the fall

Christmas Tree Collection - First three full weeks of January.

2026 Holiday Collection Delays - New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day

Recycling Drop-Off Locations

Open to Palmer Township Residents & Businesses only

Hartley Avenue Recycling Center

KNOW YOUR SEWER CLEANOUT

A Small Pipe With an Important Job

Most homeowners do not give much thought to their sanitary sewer cleanout until there is a problem. Knowing what a cleanout is, where yours is located, and how to keep it accessible can make a big difference when dealing with a sewer backup or blockage.

1. WHAT IS A SEWER CLEANOUT?

A sewer cleanout is an access point to the homeowner's sanitary sewer lateral. The homeowner's sewer lateral pipe carries wastewater from your home to the public sewer system. Typically, the sewer cleanout is plastic, but in older homes, it may be cast iron.

The cleanout allows a plumber, service technician, or Township maintenance personnel, when appropriate, to access the sewer lateral to investigate a blockage, perform maintenance, or help determine where a sewer problem may be occurring.

Think of your cleanout as an access door to your sewer line. When there is a problem, having that access point available can save valuable time.

2. WHO IS RESPONSIBLE FOR THE CLEANOUT?

The sewer cleanout is the homeowner's responsibility. Homeowners should make sure their cleanout is present, properly capped, maintained, and readily accessible.

If there is no curb cleanout, Township personnel cannot access the sewer lateral at that location to perform this courtesy check. This can increase the homeowner's responsibility to investigate and maintain the private sewer lateral.

Depending on where a blockage is located, a homeowner may need to contact a licensed plumber or sewer service professional to inspect and clear the private lateral.

3. WHERE IS MY CLEANOUT?

The cleanout is generally a vertical pipe extending from the sewer lateral and should be visible above grade and securely capped.

For many newer homes, the sewer cleanout is typically located approximately 4 to 5 feet beyond the curb.

For many older homes, the cleanout may be located in the middle of the front yard or elsewhere along the sewer lateral.

The location can vary depending on the age of your home and how the sewer connection was constructed.

4. WHY SHOULD THE CLEANOUT BE ABOVE GRADE?

A cleanout is most useful when it can be found and accessed quickly. If your cleanout has become covered by soil, grass, mulch, landscaping, or other materials, take the time to locate it and clear the area around it.

During a sewer backup, searching for a buried cleanout can delay determining the source of the problem and beginning appropriate maintenance.

5. KEEP IT CAPPED

Every sewer cleanout should have a secure, properly fitting cap.

If the cap is missing, cracked, or damaged, have it replaced as soon as possible. An open cleanout can allow dirt, stones, leaves, grass clippings, mulch, stormwater, and other debris to enter the sewer lateral. These materials can contribute to blockages and other sewer problems.

A missing cap can also allow stormwater to enter the sanitary sewer system. Periodically check your cleanout to make sure the pipe and cap are in good condition.

6. WHAT IF WATER OR SEWAGE IS COMING OUT OF THE CLEANOUT?

A cleanout that is discharging, overflowing, or surcharging can indicate a blockage or other problem in the sewer system.

Do not remove the cap from a cleanout that appears to be under pressure.

If you notice wastewater coming from the cleanout, contact your plumber as soon as possible. Township personnel can also be notified to help determine whether the blockage may be located on the homeowner's portion of the sewer lateral or within the Township's sewer system, so that the appropriate responsible party can address the problem.

Prompt notification is important. Continuing to use toilets, sinks, washing machines, dishwashers, and other water-using fixtures while a sewer lateral is blocked can worsen a backup. If you suspect a blockage, minimize water use until the problem has been evaluated.

7. A FEW MINUTES TODAY CAN SAVE TIME LATER

Take a walk around your property and see if you can answer these questions:

Do I know where my sewer cleanout is?

Is it visible and accessible?

Is it above grade?

Does it have a secure cap?

Is the cap or pipe cracked or damaged?

Is landscaping, mulch, soil, or another obstruction covering it?

If you cannot locate your cleanout, consider having a qualified plumber or sewer service professional help identify the location of your sewer lateral and cleanout.

KEEP IT VISIBLE • KEEP IT CAPPED • KEEP IT ACCESSIBLE

Your sewer cleanout may be a small part of your property, but when a sewer problem occurs, it can become one of the most important access points around your home. Knowing where it is and keeping it properly maintained can help make troubleshooting faster, protect your sewer lateral from debris, and help get the right people working on the problem as quickly as possible.

CODES AND PERMITS

CLEARANCE OF SNOW FROM PUBLIC SIDEWALKS

Please remember that all snow, ice or sleet shall be removed from all public sidewalks abutting your property within 12 hours after the same has ceased to fall or accumulate thereon. This includes the accessibility ramps located at street intersections. Whenever it may be impossible to remove all snow, sleet or ice, which may have become compacted by travel or formed on sidewalks so as to present a slippery surface, ashes, cinders, sand or any other suitable substance shall be applied as to facilitate safe walking upon the sidewalks.

Palmer Township has enacted an ordinance prohibiting the depositing of snow by property owners, residents and any person(s) onto the surface of any roadway, street, highway and other areas within the township. There have been times throughout the winter season when snow has been thrown onto the roadway after plowing has been completed and thaws and refreezes as day and night temperatures fluctuate, thereby causing hazardous areas on the roadway for both vehicular and pedestrian traffic. This prohibition includes, but is not limited to, snowplowing, snow blowing, shoveling and dumping of any snow, ice or other frozen precipitation onto the roadway and other areas of the township.

§109-3(SS) - Depositing snow prohibited: No person shall throw, blow, shovel, plow, push, dump or by any other manner, deposit any snow, ice, slush or other form of frozen precipitation upon any state highway, township road, median, roadside shoulder and swale, intersection sight triangle, inlet, public sidewalk, fire hydrant or privately owned property without the permission from the property owner. Exempted from these restrictions are state and municipal employees and other individuals contracted by said state or municipal governmental authorities expressly for the purpose of snow and ice removal and/or plowing.

EASTON AREA PUBLIC LIBRARY - PALMER BRANCH

1 Weller Place, Palmer, PA 18045 • 610-258-7492 • www.eastonpl.org

View our full program schedule and register for programs online!
Find the calendar by visiting www.eastonpl.org or bit.ly/EastonCal.

Holiday Giving Tree

The Palmer Branch will once have our annual Holiday Giving Tree to help local families make their holiday wishes come true. Give tags will be available at the library beginning Friday, November 27. Gifts must be returned to the library no later than December 11.

UPCOMING ACTIVITIES FOR ADULTS

Monthly Book Groups

Tuesday Night Book Club: Meets the fourth Tuesday of the month
Forever Young Adult: Meets the third Wednesday of the month
Diverse Voices: Meets virtually the last Thursday of the month

Adult Coloring for Relaxation

Trade screen time for "ME" time and enjoy the relaxing art of coloring! Zero art experience needed. Each month will feature differently themed coloring sheets for a variety of skill levels. Feel free to bring your own supplies too! Light snacks and refreshments will be available. Registration begins two weeks prior to the program date. *This program is sponsored by the Friends of the Easton Area Public Library.* Meets monthly. **Dates to be announced.**

Upcoming Library Closures

Wednesday, November 25 (library closes at 5pm)

Thursday, November 26 (Thanksgiving)

Thursday, December 24 – Saturday, December 26 (Christmas)

Thursday, December 31 – Saturday, January 2 (New Year's)

Needlework Nudge

Working on a sampler? Just can't get motivated to finished that quilt? Finishing up some cross stitch? Need a cheerleader to help you complete your masterpiece? January's theme – Science Fair

Noon Year's Eve Party

Can't stay up late but still want to celebrate? Join us for a Noon Year's Eve party! We will have crafts, snacks, and a dance party while we wait for the countdown to noon. Wear your best New Year's party clothes! For ages 4-10 with an adult. Registration is required and begins December 16. *This program is sponsored by the Friends of the Easton Area Public Library.*

Wednesday, December 30
11:00am

SHADE TREE COMMISSION

Fall & Winter Tree Care Tips

As the growing season comes to an end and you prepare your landscape for winter, now is an excellent time to check your trees, bushes, and other plants for maintenance needs. A few simple steps during the dormant season can improve tree health, reduce safety hazards, and help your landscape thrive in the spring.

Inspect your trees for dead, dying or broken branches, which should be trimmed. For guidance on proper pruning techniques, visit Penn State Extension: https://extension.psu.edu/pruning-landscape-trees

Check for pests. Many insects and diseases can overwinter on trees and shrubs. Inspect the bark, twigs, and both sides of leaves. Look for signs of insect activity, discoloration, holes, or damage. Early identification and intervention can prevent more serious problems and help preserve valuable trees.

Learn more about common tree pests and diseases through the PA Department of Conservation and Natural Resources: https://www.dcnr.pa.gov/conservation/forestsandtrees/insectsanddiseases/pages/default.aspx

Remove vines completely from your trees including vine roots - these damage your trees and can cause branches and entire trees to fall. **Remove any stumps** as these create tripping hazards, spread disease, provide a home for unwelcome pests, and reduce property value.

About the Shade Tree Commission

The Palmer Township Shade Tree Commission is a volunteer advisory board comprised of residents dedicated to supporting residents preserve and enhance the Township's tree canopy. Commission members support tree-related programs, review landscape development plans, and provide recommendations on urban forestry matters. The STC meets the first Thursday of each month at 6:30 PM in the Municipal Building Meeting Room. We welcome you to attend!

A Special Thank You!

Thank You to Our Community Weekend Sponsors!

Palmer Township would like to extend a heartfelt thank you to all of the businesses and organizations that helped make the 2026 Palmer Township Community Weekend possible.

Your generosity and commitment to our community help us bring neighbors, families, and friends together for a weekend filled with great food, entertainment, activities, and memories.

Events like Community Weekend truly take a community to make happen, and we are incredibly grateful to have so many local businesses and organizations willing to support Palmer Township and the people who call it home.

We encourage our residents to support the businesses that support our community.

A special thank you to Ron Fuhrer Designs for creating our official 2026 Palmer Township Community Weekend gear and generously donating a portion of the proceeds back to Community Weekend.

To each of our 2026 sponsors, thank you for investing in Palmer Township and helping make Community Weekend such a success. We couldn't do it without you!

Thank You to Our 2026 Sponsors!

PALMER TOWNSHIP ATHLETIC ASSOCIATION

The Palmer Township Athletic Association presented $1,000 scholarships to 16 area students recently in the name of Anthony J. Minotti, a former principal and supporter of children's causes in the township. Since 1975 the Palmer Township Athletic Association has presented 488 scholarships which have totaled over $249,550.

We honored two of our scholarship winners with special awards recognizing the late Mr. John Cacciatore and Mrs. Judy Schwab, whose unwavering dedication and tireless efforts over the past 50 years made this scholarship committee possible. Madeline Hynes received the Cacciatore Award, and Abigail Woods received the Schwab Award. Each recipient was awarded an additional $500, and their names will be permanently displayed on a legacy plaque in the Palmer Township Kiwanis Youth Center.

Congratulations to the Minotti Scholarship Class of 2026!

Minotti Winners

Back row left to right: *Cole Ordway, Cian Sook, Robert Rigby, Aidan Dalton, Mason Stout*

Front row left to right: *Ava Parker, Abigail Woods, Madeline Hynes, Zoe Betts, Olivia Milia*

Individual Awards 2026

Madeline Hynes - John Cacciatori Service Award

Abigail Woods - Judy Schwab Service Award

Christmas Tree Sale

We will be holding our annual Christmas tree sale beginning on Friday, November 27, 2026.

The sale is located on 25th street in between Dunkin Donut and Wells Fargo, the sale runs until we sell out.

**All proceeds from the Christmas tree sale support the sports programs for the children of Palmer Township.*

Palmer Township Stormwater Authority November 2026

OLD NAZARETH ROAD PROJECT

The Palmer Township Stormwater Authority's Old Nazareth Road Drainage Improvements Project continues to make progress toward reducing flooding, improving public safety, protecting property, and increasing the capacity of the area's stormwater infrastructure. Construction activities remain ongoing throughout the project area as crews work to complete critical stormwater improvements designed to better manage runoff and improve roadway drainage. While portions of the project have been completed, additional work will continue into the coming construction season.

Winter Roadway Conditions

To ensure safe travel throughout the winter months, temporary paving will be installed in active construction areas. This temporary surface will help maintain safe and traversable roadways while allowing construction activities to resume efficiently when weather conditions permit. Final roadway restoration and paving will be completed as part of the overall project schedule.

Businesses Remain Open

All businesses located within and around the project area remain open and accessible throughout construction. Residents, customers, and visitors are encouraged to continue supporting local businesses during this important infrastructure improvement project. Motorists traveling through the area are asked to use extra caution, remain alert for changing traffic patterns, and follow all posted traffic control measures, signage, and detour routes. These measures are in place to protect both the traveling public and construction personnel while minimizing disruptions during construction.

Traffic and Detour Information

Traffic patterns and detour routes may be adjusted periodically as work progresses. Drivers are encouraged to plan ahead and allow additional travel time when passing through the project area. For the most current project updates, traffic advisories, road closures, and detour information, stay tuned to Palmer Township's social media channels and official communication platforms. These resources will provide timely information regarding roadway conditions and construction activities.

The Palmer Township Stormwater Authority appreciates the patience and cooperation of residents, businesses, and motorists as these important improvements are completed. The finished project will provide long-term benefits to the community and help create a more resilient and reliable stormwater system for years to come.

Veteran's Day – Wednesday, November 11th
Thanksgiving Day – Thursday, November 26th
Day after Thanksgiving Day – Friday, November 27th
Christmas Eve – Thursday, December 24th
Christmas Day – Friday, December 25th
New Year's Day – Friday, January 1st
Martin Luther King Jr Day – Monday, January 18th

UPCOMING EVENTS & PROGRAMS:

Seniors' Pinochle with a Twist: Join us Tuesdays 12:30 - 4:00 pm to play double-deck pinochle for fun with a few of our own special rules. No worries, the basics are all there, and we'll teach you the "twists." We prefer playing 4-handed but divide the group as needed, so sometimes you might be playing 3-, 5-, or 6-handed. Don't worry if it's been a while or if you only played one way; we will teach you. Come share in the fun and laughter; it's a great way to spend an afternoon! Questions? Email chrinpinochle@gmail.com.

Mah Jongg: Are you looking for a friendly game of American Mah Jongg? We play just for fun on Mondays, Wednesdays and Fridays from 1:00pm – 3:00pm at the Charles Chrin Community Center. Please bring your own game if you have one but not necessarily needed. Join our Facebook group "Easton Pa One Bam Bird" for notifications of any schedule changes. Any questions, text El at 908-884-7066.

Hand and Foot Card Game: First, Third, and Fifth (if there is one!) Thursday afternoons, 12:30 – 4:00 pm. Hand and Foot is a variation of Canasta and Rummy that is easy to learn and fun to play! It involves matching and melding. Luck plays a big part, but there is also strategy and skill involved. Never played? We'll teach you! We have card holders if you have trouble holding cards. Come on out and give it a try!!

Greater Lehigh Valley Chapter of the American Sewing Guild: Interested in Sewing? All levels welcome. Meets 2nd Thursday of Each Month (No Meeting June, July and August) 10:00am-1:00pm

Penn Rose Quilt Club: 1st Wednesday of Each Month, 10:00am

Ambassador Club: Meets every 3rd Monday of the month at 1:00 pm, *no meetings in July, August, or December*

Toy Show: Saturday, November 7th, for more information visit www.valleygoto.com or email mosttrains@yahoo.com

Annual Turkey Burn: Please join us and work off that turkey and pie on Sunday, November 29th from 10:30am – 12:00pm. Participants will get a mix of various exercises and styles. Cost is $5 for walk-ins and free for Fit Pass holders and Insurance holders.

Red Cross Blood Drive: Friday, December 4th from 12:00pm to 7:00pm.

Palmer Holiday Fest/Annual Tree Lighting, Saturday, December 5th at the Charles Chrin Community Center at 6:15pm. Please join us for holiday activities. We will also have a special visit from Santa and some of his friends. This is a free event, come enjoy the holiday spirit with your family and friends! Please "Like" us on Facebook for the full itinerary of events or check out our website.

Holiday Zumba Event: Please join us Saturday December 12th from 10:00 – 11:30am for our Holiday extended Zumba class! Wear your best holiday gear and get ready to shake it to some holiday tunes! Cost is $5 for Walk-ins and free for Fit Pass and Insurance holders.

Sports Card and Pokemon Show: Saturday, December 19th. For more information, check out Poppel Family Autograph Shows.

Vinyl Record Show: Saturday, January 9th, for more information visit Record Riots, or email recordriots@gmail.com

Red Cross Blood Drive: Friday, February 5th from 12:00pm to 7:00pm.

Zumba Gold – Latin-inspired, dance fitness program designed for the active older adult, beginner participant, pregnant women, those who need modifications, arthritis sufferers, and those recovering from injury. This is a fun, feel-good, party-like class.

Silver Bootcamp – This is a great way to increase strength, flexibility, balance & coordination. Silver Bootcamp is regarded as an ideal exercise regimen for people in or over their 50's due to low-impact exercise. Benefits are improved posture, stamina, and strength.

Zumba Gold Toning – "Muscle Toning for the Young at Heart", combines the cardio element of Zumba Gold with strength training techniques.

Silver Core Stretch – A full body stretch using movements that flow smoothly to increase flexibility, decrease muscle tension, develop core strength, and improve muscular balance.

Silver Yoga – This class will begin with a short breath practice and then work up to a mindful flow ending in a relaxing shivasana. Participants will explore getting into and out of different yoga postures and how to make adjustments when necessary. This class will use props, explore variations, and work on balance while increasing both strength and flexibility. No prior yoga experience necessary - all levels welcome! Come explore the beautiful blend of breath and movement to open up the body and enhance mobility.

Birthday Parties

Join us for your child's birthday party. We provide two trained party coordinators who are ready to get kids moving and excited. We take care of set up and clean up to ensure a stress-free event. We provide pizza, juice, and all paper products. ***Birthday Cake is not provided.***

Children will have the opportunity to play on different gymnastics equipment, including bars, beam, trampoline, and the air trak, along with games and the parachute! Or if you have a child that is into sports, we can also incorporate it into your child's special day! After one hour of play time, the party coordinators will escort the children to the food area where they will serve the children pizza and juice. Don't worry about clean up! The coordinators take care of that also, in addition to bagging all the birthday gifts to take home! **Please contact Brenda at 610-252-2098 for more information.**

PRICING

Basic-up to 20 Children
$300.00/Resident $350.00/Non-Resident

Each additional child - $5.00

Additional Pizza - $15.00 each

Weekday birthday party - $275.00
(Monday-Friday—Daytime parties based upon availability)
